How to Order from the Café

Our Café uses an online ordering system called Munch Monitor.

How do I set up an account online?

Go to www.munchmonitor.com and enter

Username: brightwater

Password: munch4557

Then click login and you're only 4 steps away from ordering your child's lunch online.

Munch Monitor Helpline 1300 796 190 or
help@munchmonitor.com

Please ensure your child knows what you have ordered for them.

Drinks & snacks are placed directly in the tubs (not in bags) and children will pick out the drink/snack that they ordered. Drinks and snacks are labelled and they can confirm their snack with what is written on their food bag.

We are all human & mistakes do happen. Please let your child know to come see us straight away at the café if they do not get their lunch orders. We will never let a child go hungry & will always fix any errors!

VOLUNTEERS... WE NEED YOU!!!

Our school cafe can only run with the help of our wonderful Brightwater families. Volunteering in the cafe is a great way to meet other people and the kids love to see Mum, Dad or even Grandparents involved in their school.

Just an hour to spare every now & again is greatly appreciated. Did you know that when you volunteer for 2 hours or more you earn \$5 credit that will be added to your child's Munch Monitor account?

It feels great to volunteer - Come on and give it a go!!
